

Toggle Switch

Simple, predictable lighting control.

With the toggle switch and Evolve's lighting solution, your guests have the power to control and personalize the lighting experience, while in the room.

You save on operational costs by managing the lights while your guests are away.

FEATURES

- Compatible with LED and CFL technologies up to 600W
- Supports legacy incandescent lighting up to 1800W
- Leverages popular Decora design with easy to use rocker design
- Available color change kits with a wide range of colors schemes
- Optional screwless wall plate available
